We are proud to present: starting from autumn 2017, **six** schools in Europe will offer their adult learners a unique 3-in-1 opportunity:

- ✓ Learning **English** at the (upper) intermediate level (B1/B2)
- ✓ Developing and practicing the **transferable skills** that are useful in the modern labour market
- ✓ Having a real-life cultural exchange with the learners and staff from partner schools as well as an inside peek into the workplaces of other countries during the **mobilities** (optional)

The course consists of **80 lessons** (depending on the institution, at least 40 lessons in the classroom + up to 40 lessons of individual work, supported by the online Moodle environment).

Greetings from the international BEATS team of teachers and coordinators (here: gathered in Rijeka, Croatia)!
